Mrs. Maggie Irvin,
1050 N. Dakota Ave.,
Lakeland, Fla.

Dear Mrs. Irvin:

I am writing for James Hill, one of the members of The Eagles Ball Club, as I promised him I would. He said he felt if I wrote directly to you, you would let Mary come to Newark. He seems to miss her terribly and I am afraid if she does not come here, he will come home to her. He said if I would promise you to look out for her, he believed you would let her come. I will be glad to see to it that she is comfortable while here, and if she does not like it, I will send her home.

If you agree to let her come, answer right away, and I will send her ticket. I am glad to do this as I am pleased to know James is only interested in her. So many of the Boys are a little wild. Please answer right away, as he is quite restless.

Very truly yours,

EM:CCJ
